

ABOUT HANGZHOU RAINBOW AUTO PARTS CO., LTD

Our Australia customer came to visit our company on June 6, 2019. The meeting discussed how to promote cooperation between the two companies. We all believe it must be a win-win cooperation. In conversation, customers said that they had never imported products from China before, but wanted to develop new partners. After this meeting, he solemnly expressed his great trust in us and his willingness to establish long-term and fruitful cooperation with us.

We hold the business philosophy of "Quality First, Service Foremost, Good Faith and Mutual Benefit", seeking cooperation with new and old customers for common development.
